

Problems

by Rachael Zisk

4th year student Adams Montessori School in Quincy, MA

Somewhere there is poverty.
Somewhere there is war.
Someday I will do
What no one has done before.
I hope to eradicate hunger
And promote love and peace.
I will help the poor and homeless
And make all the fighting cease.
I will accomplish this someday.
I will make my dream come true.
Yet I can't do it on my own
I need help from all of you.
