

How to Submit Position Papers

This year Position Papers will be directly uploaded into your dashboard. Please make sure they are saved in .doc or .pdf formats only.

1. Go to <https://www.montessori-mun.org/school/login>
2. Enter Username and Password
3. Select UPLOAD FINAL POSITION PAPERS
4. Select the committee and country for each position paper in the dropdown menus
5. Attach your paper
6. Select Upload. Please be patient and ensure your paper is uploaded before exiting.

Please remember two position papers per committee. If you have one student on the committee, that student will need to submit two papers. Both members on the committee should be familiar with each other's topics.
