Resolution Adopted by the Peacebuilding Commission

Peacebuilding in Burundi

Recognizing that the United Nations charter has as main purpose “to maintain international peace and security,”

Deeply concerned by the con conflict that is happening in Burundi,
Deeply regretting the most umber of people in the conflict,

Realizing the unstable government with the rebel problems,

Keeping in mind the extreme overcrowding in Burundi,

Noting further the number of people still in need of medical assistance,

Resolves,

1. *To accomplish* this in Burundi, Security aid and financial aid is necessary;
2. *Calls upon* other countries to help collect supplies to help Burundi;
3. *Encourages* other countries and organizations to help bring more funds to Burundi;
4. *Requests* that Burundi finds better medical help;
5. *Recommends* that we help Burundi build a better infrastructure;
6. *Asks* for everyone to spread the word about the situation in Burundi;
7. *Further requests* that we create and educational program about the situation in Burundi;
8. *Affirms* that Burundi should be industrialized;
9. *Solemnly affirms* that he situation in Burundi needs immediate aid;
10. *Deplores* the world to aid this war torn country.
